To

The Secretary to Government,
Public Works Department,
Bombay.

Subject:-Supply of energy by non-Licensee.

It has been reported by the Electric Inspector, Poona that some persons other than Licensees are found to be generating and supplying electric energy at Guledgud in the Sholapur District. The names of the persons and the details of the generating sets used by them are as given below:-

Name of Persons.	Details of Generating Set.
1. Nagappa Monatgi (Guledgud)	Mawdsley's Limited. D.C.Shut 24/55 Volts R.P.M. 1200 Amps. 35-0 K.W: 1.225 M/C No.50C2744.
2. D.C.Karkun (Guledgud)	R-2 Serial No.3288, 24 Volts 477 A.
3. Singari Oil Mills (Guledgud)	A.E.G.Barlin No.492406 QR 100,15/25 Volts, 300 amps.
4. S.G.Sonar.	24 Volts Dynamo.

The Electric Sub-Inspector, Sholapur tried to obtain statements from the persons named at items 1 to 3 but they refused to give any statements; also the consumers who receive supply from these persons, refused to state anything in writing. Shri Sonar (at item 4) only admitted

P.T.O...

that he had supplied energy t the same has since been discontinued.

Although all the sets gerabe energy at a voltage of 24 volts or less, the act of these peons in selling the electric energy obviously amounts to a breacof section 28 of the I.E.Act,1910, and requires to be dealt witaccording to the rules.

I am, therefore, referring the cases to Government for its decision as to whether these ersons are or are not engaging, or about to engage in the busines of supplying energy within the meaning of S.S.(1) of Sectio28 of the Indian Electricity Act.

2/- Please see the letter (Pol-2) from the Elect. Engr. Sitthiu, wherein he has reported that some persons, other than licensees are found ~~at Bailey Gulesgud~~ to be generating & supplying ely. at Gulesgud. It is necy to have complete information re: amount of ely. generated by each person, portion of the supply utilised by him for his own use, the amount sold to the consumers, the rate of supply &c., to decide whether the action of the persons concerned amounts to their engaging in the business of supply of ely. within the meaning of section 28(1) of the IE. Act, 1910. It seems that the persons concerned have declined to furnish the requisite information to the Electric Sub-Inspector, Sholapur. If so it is necy. to have complete information in the matter, the Elect. Engr. may be asked to collect the information with the help of the revenue officers, & submit it to Govt. The Collector of Sholapur may also be asked to give helb to the Elect. Engr in getting the requisite information

3/- Necy. draft is put up for approval.

Report already recd

D.S. (I & E)

Extracts from the statement obtained from different non-licensees in the Guledgud Town, Bijapur District, in the presence of Circle Inspector, Talati and Police Patil.

(1) Mahalingappa Virappa Guledgud. Native of Guledgud, states as follows:-

In the Guledgud Town Ward No.2, I placed one flour mill with 13 B.H.P.engine. Last year during Diwali I had erected one dynamo for lighting purposes for my own use. Two lights were supplied to the nearby Salweswar Printing Press from the set. No charges for the same were recovered by me. Lights were in use for two to three hours per day upto the month of December 1951. The dynamo was sold out after the December 1951

(2) Nagappa Huchappa Monotgi, Native of Guledgud Town, Taluka Badami states as follows:-

In the Guledgud town, I have one flour mill with 14 B.H.P.engine and there is one dynamo of 24 volts running on the engine. I have put up three lights in the flour mill for my own use. Besides I have supplied electric energy to the following persons for three hours per day.

(1) Irrasangappa Bankatti, 1 lt. (2) Adamsaheb Badami, 1lt. (3) Shivappa Angudi, 1 lt. (4) Bammanna Roji, 1 lt. (5) Vithooram Muralidhar, 2 lts., (6) Bamanna Udnur, 2 lts. (7) Sidappa Nainagalli, 1 lt. (8) Irappa Ahitin, 1 lt. (9) Irappa Nagalnan, 1 lt. (10) Sidappa Nainigalli, 1 lt. (11) Gurappa Jabsitti, 1 lt (12) Shree Maruti Temple, 2 lts.

In all there are 16 lights points for other people and three lights for my own use. The lights are used at the rate of three hours per day for the period of December 1951 to September 1952, I have stopped the supply to outsiders since to-day. Energy charges at the rate of Rs.3/- per bulb per month are recovered from all the persons.

(3) Raghavendra Govind Karkun, Native of Guledgud, Taluka Badami, states as follows:-

In the Hatti Peth of Guledgud town I own one flour mill with 16 B.H.P.engine. One 24 volts dynamo was being used on the same engine for my own use and supplies to the following persons:-

(1) B.K.Patil, Proprietor, Sangameshwar Tea Shop, 1 lt. (2) G.A.Kulkarni, 1 lt. (3) Bamanna Udanur, 2 lts.

During October 1951, the generator was brought into commission. Municipal permission was asked for the generation of electricity and was informed by the Municipal Authorities that no such permission was necessary from the Municipality. In the month of December 1951 dynamo was removed and wires were cut off and since then no lights were used. During the period of usage, lights were used for three hours a day. Three lights out of 5 lights were not charged as the wires belonged to the consumers

(4) Nagosa Parshuramsa Shingari, Native of Guledgud Town, Taluka Badami, states as under:-

In the Guledgud Town, Ward No.6, I have placed a flour mill with 20 B.O.P.engine. One dynamo of 25 volts is running on the same engine. There are about 20 lights for my own use in the mill and the residence. Five lights were supplied to the following persons for a period of two months:-

(1) Padappa Agadi, 1 lt. (2) Khojasaheb Umasaheb Murdas, 1 lt., (3) Hamanatappa Gadad, 1 lt. (4) Ramanna Tabergeri, 1 lt. (5) Narsingdas Gituri, 1 lt.

No charges for the above lights were recovered. Lights were used at three hours per day. Household lights and mill lights are in use at present, the other lights being disconnected long ago back

Statement of energy generated and utilised for own use and supplied to other consumers by non-licensees in Guledgud Town, District Bijapur.

No. LRM.6/1169 of 1952.
P.W.D. Offices, Churchgate Street,
Fort, Bombay(1) 17th October 1952.

To.

The Secretary to Government,
Public Works Department, Bombay.

Subject:- Supply of energy by non-Licensee.

Reference: Government Letter, Public Works Department, No.IRA 1552-K, dated the 25th July 1952

2. I have to report that the Electric Sub-Inspector, Sholapur, with the help of the Revenue Officials, has collected the necessary information in respect of the sale of energy by non-licensees in the District of Bijapur, and the same is sent herewith in the form of a statement. As almost each consumer is supplied with only one light of 15 watts, energy consumed by each consumer is not calculated. The charges recovered are also not based on the units of energy consumed, but they are recovered on flat rate basis per bulb per month, the rate being Rs.3/- per mensem. The extract copies of the English version of the Kanarese statements obtained from the parties are enclosed.

3. The information obtained is in respect of three names reported to Government as per item Nos.1 to 3 of this office letter No.LRM.6/4576 dated the 15th July 1952. Information in respect of item 4, however, could not be obtained and is not given.

Submitted with reference to y.L.

No. IEA1552 H, dt. the 28-3-53.

2. In his letter dt. the 15-7-52, the Elect. Engr. reported the names of some persons who were engaging in the business of supplying electricity at Guledgud in Bijapur District without any licence or sanction from Govt. and that their action therefore amounts to a breach of section 28 of the I. E. Rules, 1937.

3. The information called for in y.L. dt. the 25-7-52 has now been finally received. It is seen from the statements made by the persons who generated electricity that only one, i.e. Shri Nagappa Hanchappa Manoji recovered charges for the supply of energy. The other persons did not recover any charges from the persons to whom they supplied energy. Therefore, only Shri Manoji can be deemed to have engaged in the business of supplying energy. The details regarding the amount of energy generated and the name of the persons to whom

whom he supplied energy and from whom he recovered charges for the supply of energy will be found on page 19, item 1. Before further action is taken against Shri Moorjee, a show cause notice may, perhaps, be issued in the first instance. The draft for the same may be sent, if approved, after seen to the Elect. Returned with compliments.

2. Since Shri Monotgi ~~x~~ has committed the breach of section 28 of the I.E. Act 1910, and has not shown any cause why action should not be taken against him for the said breach, the only way left open to Govt. is to prosecute him under section 41 of the Act. If Govt. agree to this suggestion the Electric Inspector, Poona will be instructed to launch the prosecution in consultation with the Public Prosecutor of the District.

2/- Please see the UOR p53 from the Elecl. Engr. within He suggests that ~~the~~ Shri Manotgi may be prosecuted under section 41 of the I.E. Act, 1910 In this con. it may be pointed out that in G.L. No IEA 1552-K, p49 dated the 7-8-53, Shri Manotgi was asked to show cause, within 20 days from the date of that letter, why action should not be taken against him for engaging in the business of supplying ely. in breach of section 28 of the I.E. Act, 1910. This p49 G.L. was however sent to Shri Manotgi by ordinary post and not by Registered letter. Attention in this con is invited to section 53 x of the I.E. Act, 1910 and the comments below that section. No reply to the above G.L. has so far been recd. from Shri Manotgi. It is therefore for consideration whether a copy of the above G.L. p49 may be sent to him by registered post (acknowledgement due) and he may be asked to send his reply within ~~stipulated~~ specific period, say of 15 days. If so, the draft put up for approval may issue.

P.W.D.
K.

The papers deal with the question of prosecution of Shri Nagappa Hucchappa Manotgi of Gulesgud for engaging in the business of supplying energy in breach of section 28 of the I.E. Act, 1910. Please see the O.N. dated the 18-7-53, which explains the case. It was found that he generated elty. with the help of dynamo set on the flour mill installation and supplies energy for lighting to 12 persons in the town at the rate of Rs 3/- per bulb per month. A show cause notice was issued to Shri Manotgi in C.L. No. IEA 1552-K, dated the 7-8-53 & he was asked to reply within 20 days from the date of that C.L. As the notice was not sent by regd. post another notice was given to him, vide C.L. No. IEA 1552-K, dated the 10-12-53 as he was asked to give a reply within 15 days from the date of the C.L. This C.L. was sent by regd. post. No reply has however been recd. from Shri Manotgi so far. The period of 15 days mentioned in the notice has expired on the 25-12-53. We may now proceed further with the question of prosecution of Shri Manotgi under section 41 of the I.E. Act, 1910. Attention in this con. is invited to the Elect. Engr. report on p. 53 ante wherein he has stated that the Electric Inspector, Poona may be instructed to launch prosecution in consultation with the Public

Prosecutor

IEA 1552/148588

Prosecute of the Distt.

'2/- In this con. it may be stated that Shri Mantgi has admitted that the supplied energy to 12 person at Kulegaon from the dynamo installed by him at the rate of Rs 3/- per light per month for a period from the Dec. 1951 to Sept. 1952. He has since then stopped supply to other consumers. It will thus be seen that the default is not existing at present. It is not known whether installation in the houses which were receiving supply from Mantgi are still existing. Since the default is not existing at present it is not clear whether Shri Mantgi can be prosecuted under section 61 of the I.E. Act, 1910 for contravention of section 28 of the I.E. Act, 1910. In view of this, opinion of the R.L.A. may perhaps be obtained in the matter before the Elect. Engr. is authorised to prosecute Shri Mantgi.
